(2)  
An economy is defined as the aggregate of production and consumption systems within the country. ~~systems~~ The welfare economists have added social systems seeking to promote human development into the preview of Economy. Women participation in Indian economy is  
• poor on both 'production' front and 'social' front.

"Production" front in Indian economy includes productive sectors like Agriculture, manufacturing and services. The participation of women in agriculture is immense. However, they have been denied the outcomes of their efforts. Even today, women are paid less wages. With the migration of men to more productive jobs in cities, a trend of feminization of agriculture is taking place. This phenomenon is giving some economic freedom to women. But, it is costing her health and sometimes even education heavily.

By go through the UPSC Toppers Answer Sheet and Mainstorming Toppers Answer Sheet, one thing that was very Clear that is Each aspirant who sits for the Exam to Study with a Same books. But they're equally dedicated to clearing it. they need most likely, listed in some Training institute. once all the scholars have the right steering through books, mentor and lecturers, then what's it that creates one aspirant win and another Institute on consecutive try? How is it that an individual Who studied for over fifteen hours each day is unable to sit down for the mains whereas some other person Who Trained for less than eight hours clears it? Experts says that the distinction is just like the excellence between a standard person and a rare one. mentioned below the number of the techniques which will be used for the IAS UPSC competitive Exams to leverage that distinction. To triumph, the five mantras ought to be incorporated by UPSC Toppers Answer Sheet Provided by Shankar IAS Academy Create Your Own Strategy: Nothing is achieved by straightforward Hard Work in today's world. the requirement of the hour is to figure sensible at the side of effort. The logic Trainings on the Civil Service take a look at too, it's not concerning investigation what percentage hours were place in finding out a subject matter. it's concerning knowing: What to study and What to not study How much of it's to be study How to use the educational to answer properly and exactly. The first mantra, therefore, is to own a precise image of the topics that require to be learned. the perfect technique would be to kindle a technique from a mentor or former IAS UPSC topper, then tweak it to suit oneself. the Mistake that most students build is to follow the Strategy that was utilized by another person blindly. IAS demands creative thinking and originality and so the approach ought to be this too. A Strong Grasp of the information The second tip to winning within the IAS Exams is to understand the information from top to bottom. Knowing the outline means to give attention to each and Every topic which will be questioned within the paper. To do so, develop the final Studies info and browse it totally. it'll offer a concept of what topic ought to be study and what not. Also, build a note of any extra subjects or problems that are additional to the information. Complete details of the IAS Exam has 20% of the Hard Work. Once that's done, the Aspirants can move to learning, an extra tip here is, if the information is altered throughout the year one sits for the take a look at, don't tense up. As explained before, civil services area unit concerning being ingenious. As long joined is inventive and awake from everyday circumstances. Aim for tiny Questions It is the little things which will build or break an enormous task. The third mantra for IAS take a look at Experts relies on this expression. Aim for the 2 marks questions which will be answered in twenty words. Majority of candidates sit for the Exams with the assumption that such tiny questions will be answered simply. they do not inspect the two markers with a gradual approach and so fail to get down them comprehensively. The policy each candidate ought to use is to observe for these questions which will score up to three hundred marks generally Studies. One basic technique is to choose up a newspaper and so select the places, terms or personalities mentioned in it. try and write twenty words concerning every of them. Keep active until a concise answer is made. Another practise tool would be to answer previous years two-mark questions. Build an Answer Skill Set While several Exams takers are able to clear the Prelims, it's the Mainstorming that appears to be the most important hurdle. the reason for it's that the most Civil Service take a look at isn't concerning finding out. it's concerning having the ability and information of presenting the answers clearly to clear the mains, a number of factors have to be compelled to be borne within the mind: It is not what quantity one has learnt. It is however they use that learning. How one answers the questions in three hours is important. To strengthen respondent skills, utilize these tricks: Draw pie-charts, flow-charts or graphs, if they're required within the answer. it'll facilitate the examiner decide quickly that the candidate is aware of the subject. Never repeat the same points in several paragraphs. Always stick with the word limit. The longer one spends on one question, the less there's to finish the remainder of the paper. At the end, there'll not be enough time left. Answer question with positive points or inventive inputs that mark you except for different competitors. A Brief Recall Tailor build the finding out strategy. recognize the information within out. keep the short answers because the goal and observe respondent for the mains. These area unit the five major pillars to succeeding within the IAS Exams that driven by the Copy of UPSC Toppers Answer Sheet. Each aspirant Who keeps them because the priority can pass within the 1st try.
